Increase in Port Service charges / Unpacking charges

To our Valued Customers,

The rise in fuel prices over the last 6 months has been significant. As a result our suppliers have advised the cartage component of container unloads will increase effective next month. This will result in an increase in our Port Service charges for all Import Lcl cargo effective from vessels arriving on or after 1 October 2005.

Accordingly our Port Service charges will rise by NZ\$ 1.00 per cbm/tonne for all cargo imported from Australia and NZ\$ 2.00 per cbm/tonne for all other cargo. We have tried to keep these increases as low as possible.

Thank you for your continued support and choosing Vanguard Logistics Services.

Kind regards
