Export Documentation Fee

To our Valued Customers,

Over the past year we have seen the shipping lines increase their own documentation charge along with the introduction of Port Security / Carrier Security fees & the Panama Canal surcharge for specific trade lanes.

We regret we can no longer absorb these charges and so effective the 3rd April, we will be adding an Export Documentation Fee of \$10 per bill of lading for shipments leaving NZ on or after this date.

Thank you for your continued support.

Kind regards
